Comments:

Special note for Pontiac Residents: The Pontiac School District does provide transportation to the NDPMA campus. We cannot, however, adjust our schedule to match the Pontiac school day. We do accommodate our Pontiac students by opening the building early (6:30 a.m.), and we allow Upper Division students to take an 8th period study hall in order to ride the bus at 2 p.m. The last period Study Hall does affect a student's ability to earn the 28 credits necessary for graduation. Therefore, students with an 8th period study hall must carefully plan their schedules in order to guarantee graduation.
