

## ADVANCE NOTICE OF PESTICIDE TREATMENT

Attention: Parents/Guardians of students attending Notre Dame Preparatory School and Marist Academy

Notre Dame Preparatory School and Marist Academy utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

**FOR 1300 GIDDINGS ROAD (Middle and Upper Divisions):** Please be advised that Orkin will be onsite **Monday, March 11** for the monthly inspection and apply pesticide if necessary. A follow up notification will be posted if anything was treated, including the area(s) treated.

If you have questions pertaining to this treatment, please contact:

Name: Julie Frakes, Facilities Manager

Phone: 248-373-5300 x8015

E-mail: [jfrakes@ndpma.org](mailto:jfrakes@ndpma.org)

For further information pertaining to pesticides you can contact the National Pesticide Information Center at Oregon State University. The toll free number is 800-858-7378. The web site is [www.npic.orst.edu](http://www.npic.orst.edu).

For additional information pertaining to pesticide use, you can contact the Michigan Department of Agriculture and Rural Development (MDARD). The MDARD's web site is [www.michigan.gov/mdard](http://www.michigan.gov/mdard) and a contact phone number for MDARD is 800-292-3939.
