

NDPMA 8TH GRADE

SUMMER READING CHALLENGE

Welcome back Notre Dame Marist Academy Class of 2024!

Over the summer, you have 5 reading challenges to complete for your summer reading assignment. You are going to use a program called Flipgrid to turn in your work. Flipgrid is easy and fun to use! Begin the challenge with “Class Intros.” Once you have tried out Flipgrid and introduced yourself, you will begin the challenges. You can do the challenges in any order. If at any time you have problems with Flipgrid, be sure to email me, Mrs. Simon, ksimon@ndpma.org, so I can help you out. Have fun, and I can’t wait to hear from you. To start your summer reading, first READ all of these instructions. Then to access all the challenges, click on: [Summer Reading 8th Grade](#)

- After you click on the link, you will see this:

- The password is GOIRISH2024

- Once you are in the program, click on the first topic to introduce yourself. Tap

on the green plus sign  and then “go to topic”. After that, simply follow my directions. I will see you in August. Have a great summer!
