

Summer 2019

Dear Chinese students and families,

Research and experience demonstrate that ongoing use and practice of a language is the best way to facilitate the basic skills. As a result, the Modern Language Department has implemented a mandatory summer on-line program as part of our Chinese curriculum. This is a wonderful opportunity to maintain and even improve language skills over the summer and should make the transition back into the Chinese classroom much smoother and easier in the fall.

Students will work with grammatical and structural items as well as with reading comprehension and writing skills. Pronunciation may be practiced via the audio files.

Lessons will be posted during three sessions of two to three weeks each. By following the next steps, you will be able to begin your summer course:

- Navigate to <http://ndpmasummerchinese.weebly.com>
- Start at the home page to read the "information " or general information on what needs to be completed
- Choose the course that you are entering in the fall 2019 under either Notre Dame Preparatory or Notre Dame Marist Academy tab
- Be sure to SCROLL DOWN to see and complete all three sections listed by 第一(first) , 第二(second) , 第三(third).
- Take special note of the instructions- some work/presentations/essays may be due the first day or week of school!

The window for Chinese summer weebly courses is now open. If you have any questions regarding the program, you may contact [Liu Laoshi \(Ms. Liu 刘老师\)](mailto:liu@ndpma.org) at liu@ndpma.org. 谢谢！

High school:

刘老师 Liu Laoshi (Ms. Liu) – AP/IB/DP/Chinese 9/10, 7/8, 5/6, 1/2

Middle school/High school

万老师 Raymer Laoshi (Ms. Raymer) grade 6, 7 ,8 and Chinese 3/4
