Director of Guidance	Mr. Vlado M. Salic
Director of Campus Ministry	Ms. Cathy A. Zuccaro
IB-DP Coordinator	Ms. Katrina M. Sagert
IB-MYP Coordinator	Mrs. Katherine T. Thomas

PRINCIPAL'S MESSAGE . . .

Congratulations!

On behalf of the Board of Trustees, Marist Fathers and Brothers, faculty, staff and administration, I want to congratulate you on your academic achievements for the 2019-2020 school year. It was an unprecedented year in the history of the school as the world adjusted to life during a pandemic. Learning is not about honors or grades, but growing as the thinking, knowing human being whom God created you to be. You have set goals and worked hard to be a successful student at this Catholic school. Your family and your school support your academic goals and celebrate your achievements.

A major reason for the success of our school over the years is the dedication of our students. Students work hard on their own and with the help of teachers and classmates to succeed. Even during virtual learning days our faculty maintained the high academic standards that have served our students and families well over the years. From their homes our students rose to the challenge and moved forward with learning and with life.

Congratulations also to those who have chosen to join and to fulfill the requirements of the National Honor Society! Our Catholic school, as well as the NHS, call you not only to be scholars, but more importantly to be people of good character who serve others and are willing to take on roles of leadership.

Students and faculty have built a strong academic tradition at Notre Dame. Teachers are primarily concerned with the growth and success of our students, which is why they chose this vocation. Students here see it as a good thing to challenge themselves and do their best. As students and staff reach beyond what is easy, they create a learning environment where it is good for everyone to achieve more than they thought possible.

Parents and families, you have sent your daughters and sons to a great Catholic school and we thank you for the sacrifice involved in that decision. You have supported your students in their studies and celebrate their successes.

Students, far more important than these honors or the grades you earn is the knowledge and maturity that you are acquiring along the way. Be lifelong learners and people of integrity! While the effort is yours, take time frequently to thank others who play a part in your achievements: God who blesses you abundantly; your parents who support you; your teachers who foster learning within you; the classmates and friends who challenge you to be your best self; the counselors and administrators who are always there to help you over bumps in the road.

Especially when times are difficult our *mission* of growing as genuine *Christians*, as contributing *citizens* and as thinking *scholars*, will bring blessings to our own lives and to our world. With humility we ask for the skills and abilities that we need to continue to learn and thrive, focusing not on ourselves but on what we can do to make the lives of others better. May God continue to bless our students, staff and families during these challenging days!

Fr. Joe Hindelang, s.m.
