

Dear Notre Dame Preparatory and Notre Dame Marist Parents:

Thank you so much for your interest in Notre Dame Preparatory and Notre Dame Marist bus service from (A) Shelby Twp./Rochester Hills, (B) Oakland Twp./Rochester Hills, (C) Waterford/White Lake/Commerce, (D) Clarkston/Lake Orion, and (E) Woodward Corridor South areas. **Routes will be established by transportation requests received. Keep in mind that stops and routes are not guaranteed!**

The busses will follow only the Notre Dame Preparatory School daily schedule. (Families in the Pontiac School District should contact me via email for instructions) The actual route, location and number of bus stops are subject to change based on the number of students enrolling for bus service, from the Transportation Form, for each school year and each semester.

We do our best to accommodate **all** families with stops as close to the house as possible, without door-to-door service. (Exceptions are PreK3-4 students)

Please visit our Transportation web link after **July 15<sup>th</sup>** for sample stops, descriptions, and pricing. (i.e., A, B, C, D and E.)

**No new stops can be added to accommodate occasional riders.**

All bus fees must be paid in advance of each semester and are nonrefundable once service begins, including annual pass.

Should you have any further questions about the Notre Dame Preparatory and Notre Dame Marist bus service, please call me for assistance.

Sincerely,  
Larry Jack  
Transportation Coordinator, NDPMA
